

# I Made Chamber! Now What?!

## **Rehearsals**

Chamber meets every Tuesday evening from 6:00 – 8:30 PM. There are generally minimal conflicts with this schedule which allow us to have everyone present. I am flexible with band students who have marching rehearsals in the evenings through Labor Day.

This ensemble often gets invited to perform at other outside concerts with different ensembles. Dates will be communicated as they come up. Chamber will perform separate music at each concert and have their own concert in the spring.

## **Rehearsal Etiquette**

You are expected to be on time and present at each rehearsal. Absences should be communicated in advance. Excessive absences will result in removal from the ensemble. This choir moves at a much faster pace than choirs that meet during the school day. We will utilize sectionals and individual practice time during our rehearsals.

## **All-Region**

Members of Chamber Singers are required to audition for the All-Region choir. I know this will be a new experience for you many of you—it is not meant to be scary! This is a process that we all do TOGETHER! Directors will provide plenty of resources for you to be successful. This is one of the best ways to build your musicianship and prepare you to be a better singer and member of Chamber. There are a few things you'll need to do over the summer to prepare:
